Joseph was the most helpful T.A. I've had this semester. His review sessions were extremely helpful in preparing for exams.

None

He is great.

Joseph did very well as a TA and helped explain problems.

Joseph was a very helpful TA and I believe for the most part always prepared us for the quizzes and exams. He was always very eager at 8:25, and got us awake and moving. He would make our quizzes sometimes more challenging than needed to be, or harder than the examples that we have done in class.
